

Agreements for this Ritual Space

1. Participate

Enter with a willingness to take part as fully as you are able & plug into the groove that is happening.

2. Create

Act on inspirations & opportunities to engage with each other, self & Spirit.

3. Co-operate

Support & encourage each other to share the magick we each bring to the fire.

4. Respect

Keep this ritual space sacred & free from litter, casual chatter, recording devices, cigarettes & other mundane intrusions.

5. Focus

Intend clear awareness & response-ability in all you say & do.
Keep alcohol & drugs away from this ritual space.

6. Take a Chance

Share what you are good at with the Circle & try what you perceive you are not yet strong at, as well.

7. Allow

Make room for quiet, too. If an offering ends in silence, take time to honor & appreciate it before responding.

We welcome you into this ritual space when you are ready to honor these agreements.
